Hand, courier and mail deliveries should be directed to:

**Cascade Lower Canyon Community Forest**  
**314 Hudson Bay Street**  
**Hope, BC**  
**VOX 1L0**  
**Attn: Matt Wealick, RPF**

*Please read and understand the following disclaimer:*

The successful bidder will be contacted and asked to enter into a contract to carry out the work. CLCCF reserves the right to refuse any and all tenders. Tenders will be evaluated by bid rate, employment opportunities offered to community members and historical performance in safety, reliability and conformance to legislated requirements. CLCCF is under no obligation to accept the lowest bid.

## K3J Community Forest TENDER SUBMISSION

TO BE OPENED May 1, 2019

CONTRACTOR NAME/ADDRESS:

WCB#:

GST#:

SAFE COMPANY (Y/N):

We have reviewed the sample contract, field reviewed the roads to be constructed and cutblocks to be harvested with respect to the Full Phase Logging Contract offered by CLCCF as presented on May 1, 2019. We will produce / deliver a minimum 400 m<sup>3</sup>/day, subject to weather on a Monday to Friday 5 day per week basis or other hauling shift as specified by CLCCF.

We offer to provide the services required at a contract the following rate \$/m<sup>3</sup> for logs delivered to the following destinations

Rate Description/ Destination		Rate (\$/m <sup>3</sup> )
Tree to Truck Rate*		
Hauling Rate	Sumas Sort	
	Ledcor	
*Rate includes road construction, falling, yarding, processing, loading, debris piling, safety, administration and overhead		

Timing for log flow will commence no later than May 15, 2019 in the settings suitable for spring harvest. The engineered volume will be harvested by October 31, 2019. The remainder of the tender volume will be concluded, including scaling, no later than December 31, 2020.
